

Child Concerns Flow Chart

Step 1: what is the nature of your concern?

Low Level Need

Need is low and nursery/Local Authority Services are able to take action

Emerging Needs

Concerns for a child's wellbeing, child's needs are not clear, not known or not met. A range of Early Help Services may need to be involved.

Complex or Serious Needs

A child or young person has needs that without intervention would seriously impact their health or development or put them at risk

Child Protection Concern

A child or young person is at current risk of significant harm because of abuse or neglect

Step 2: what action should you take?

Discuss with your Nursery manager as to how your concerns can be addressed

Consider with the family what help may be needed

Develop a plan to address and review

Discuss with your Manager

Talk with the family and seek consent for and Early Help Assessment and other agency involvement

Follow SEND and behaviour policies
