

Making salt dough

Ingredients

2 cups plain flour
1 cup salt
1 cup water

Making salt dough

1.

Mix the flour and salt together in a bowl.

Making salt dough

2.

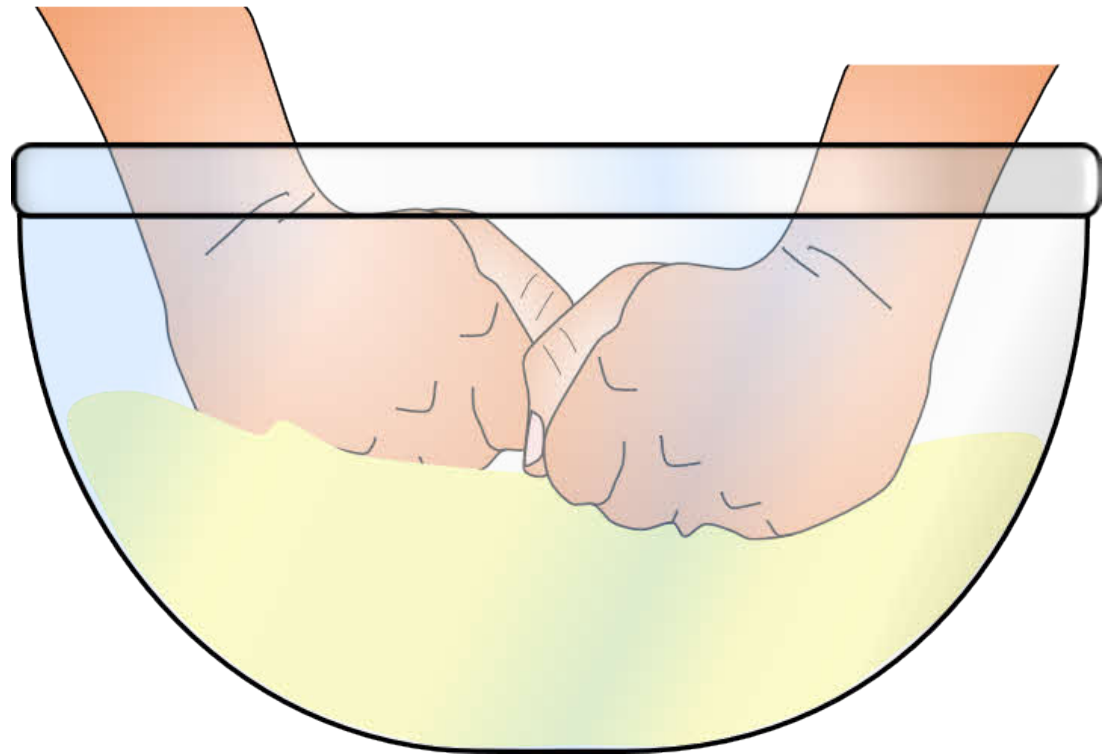

Stir in the water.

Making salt dough

3.

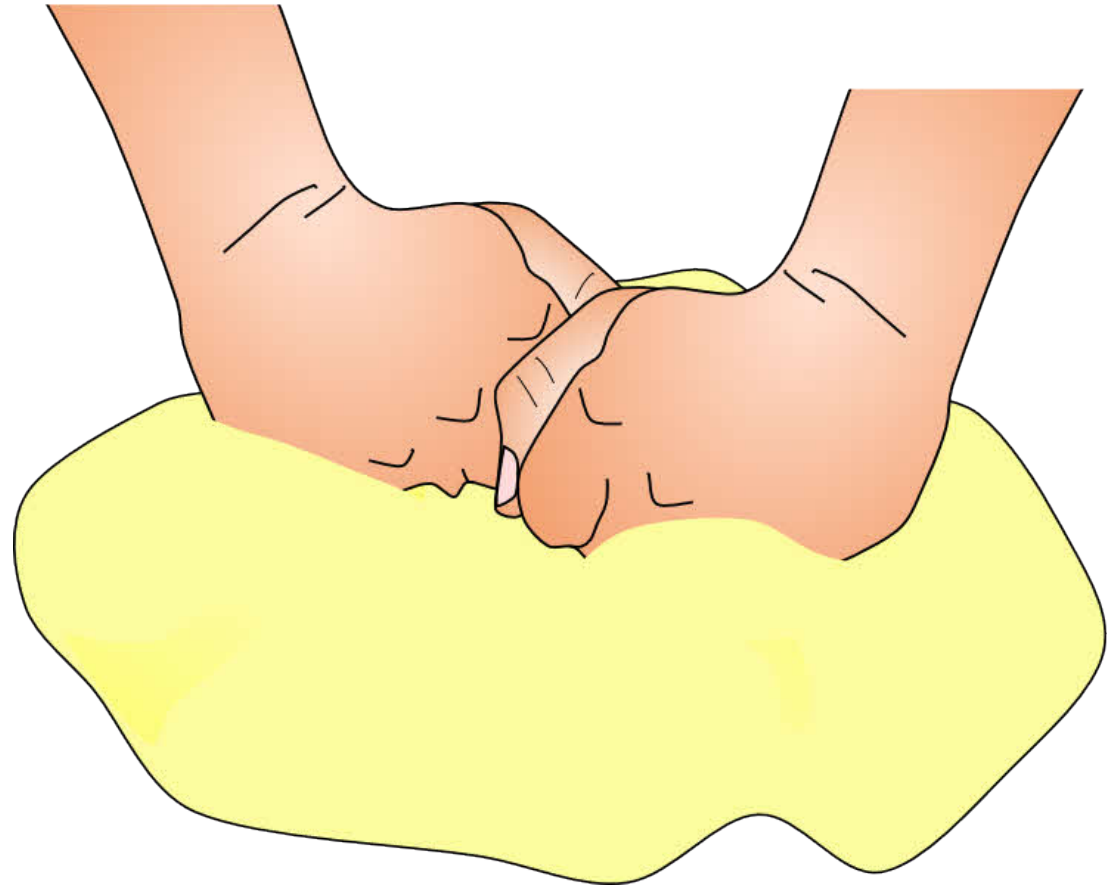

Knead the dough
together.

Making salt dough

4.

On a flat surface, continue kneading for 10 minutes. The dough should then be warm, soft and pliable.

Making salt dough

5.

Let the dough
stand for 20
minutes.

Making salt dough

6.

Cut the dough into shapes as needed.

Making salt dough

7.

Leave to dry in the open air until hard or bake in an oven for about 3-4 hours.
